

CHRISTMAS MAIL ALERT

The Christmas/Covid season has been a double whammy for our wonderful mailcarrier, Leisa. Her usual package delivery is about 30 packages per day. Yesterday she had over 70 packages to deliver! There's just no room at the mailboxes. Each day she will text or call recipients if there are box deliveries. In addition, she's asking that we all pick up our mail each day, especially if we are expecting packages. Thanks to everyone for helping!

BRIGHTON NIGHT SKIING OPENS DECEMBER 14, 2020

Brighton Resort will open for Night Skiing on December 14. Night lights will be turned off around 10 pm if there are no maintenance needs on the hill. Also there will be a fireworks display on Friday, December 11 around 9 pm. It's sponsored for a private party, but they won't be stopping anyone from watching from the parking lot. Uphill trekking is still temporarily suspended until there is better snow cover.
