## UDOT Requirements

1. Pick up large trash bags by Tom Loken's front door starting May 15.  
Tom's address: 6532 S. Moose Creek Lane in Silver Fork
2. Leave large trash bags on the highway shoulder for pick-up. Close bags securely. The last pick-up day will be June 1.
3. If you can't lift something (ex: a tire), leave it on the road with a large trash bag wedged under it as a marker.
4. If you use plastic grocery bags for pick-up and dispose of them in an area dumpster, that would save UDOT many trips up the canyon. (Thanks!)
5. Remember to wear gloves! (Water bottle and hat help too.)

Many Thanks Big Cottonwood!
